PROFESSIONAL SUMMARY

Telecom Customer Service & Billing Operations Professional with 15+ years of experience across telecom, banking, logistics, hospitality, and client-facing operations, currently supporting UK corporate customers on the British Telecom (BT) bill-to-cash process. Proven record in escalation handling, high-volume customer support, billing resolution, MIS reporting, and cross-functional coordination with account managers, operations teams, vendors, and senior leadership. Strong analytical, problem-solving, and multitasking abilities with attention to detail and effective time management. Demonstrates practical leadership through ownership of client issues, front-office operations, service coordination, business partnerships, and confidential executive support. Skilled in MS Office, ServiceNow, Excel Pivot Tables, documentation control, calendar and travel coordination, process improvement, and AI tools including ChatGPT, Claude, Perplexity, Microsoft Copilot, Gamma AI, and Prompt Engineering.

PROFESSIONAL EXPERIENCE

Associate – Bill to Cash (GCB Process)

04/2022 — 09/2026

British Telecom E-Serve Pvt. Ltd — Kolkata, India

- Recovered GBP 4.63 million (GBP 4,634,857) in outstanding corporate debt in the last quarter through structured follow-up and dispute resolution
- Serve a portfolio of major B2B corporate, public-sector and global accounts — including HSBC, Abbott International, Coventry University, Pinsent Masons LLP, QA Ltd and The Global Draw
- Closed 645 cases last quarter at an average cycle time of 8 days — 38% faster than the 13-day benchmark
- Manage 75+ weekly corporate post-billing queries via email and phone for UK-based customers, maintaining a 96% resolution rate
- Raise credit adjustments for invalid charges across phone lines, broadband, ISDN, SIP trunking and cloud voice accounts, processing GBP 31,000+ in monthly adjustments
- Sustained a 90% quality score on audited cases, exceeding process compliance targets
- Achieved a 9.5/10 ASAT (agent satisfaction) rating, reflecting consistently positive customer interactions
- Partnered with Account Managers on escalation calls, cutting average resolution time by 25%
- Completed Advanced Excel workshops (pivot tables, lookups, reporting dashboards), applying them to billing MIS and debt-tracking reports

Customer Service Executive (BNSF Logistics)

11/2020 — 03/2022

NLB Services Pvt. Ltd — Kolkata, India

- Handled 100+ daily inbound and outbound calls to US dispatchers and truck drivers, ensuring accurate updates on arrival and departure times
- Communicated with brokers and dispatchers via email to resolve delivery issues, achieving a 95% on-time update rate
- Sent timely notifications about shipment delays or changes, maintaining 99% reporting accuracy
- Maintained detailed records for all loads tracked, supporting logistics optimization

Client Relations & Operations Manager

2017 — 2019

Get Gorgeous Salon — Kolkata, India
